LinkedIn: www.linkedin.com/in/sanjana-althi

Address: Anakapalli, Andhra Pradesh

Career Objective:

Seeking an entry-level opportunity to apply my programming, analytical, and problem-solving skills in a dynamic organization. Eager to learn new technologies, contribute to real-world projects, and grow as a technology professional.

Education:

Bachelor of Technology in Computer Science and Engineering [CGPA - 9.4]	2023 – Present
Dadi Institute of Engineering and Technology Andhra Pradesh	AP, India
Intermediate (MPC) [Percentage - 96%]	2021 – 2023
Sri Chaitanya Junior College	AP, India
Secondary School Certificate (SSC) [Percentage - 100%]	2020 – 2021
Vasavi Bala Vihar High School	AP, India

Technical Skills:

- **Programming Languages** - Java, Python
- **Data Analysis Tools** - MS Excel, Power BI
- **Web Technologies** - HTML, CSS
- **Databases** - MySQL
- **Libraries** - Pandas, NumPy
- **Tools & Platforms** - GitHub, VS Code, Streamlit, Jupyter Notebook, Google Colab

Projects:

- 1. Steganography-based Secure Messaging Tool** (June 2025)
Technologies: Python, Streamlit, NumPy, XOR Encryption, LSB Steganography
 - Developed a Python-based image steganography system using LSB technique with XOR encryption for secure message embedding.
 - Built encoding and decoding functionality with a user interface using Streamlit for interaction.
- 2. IPL Data Analysis Dashboard** (April 2026)
Technologies: MS Excel, Data Visualization, Pivot Tables
 - Analyzed IPL dataset to extract insights on team performance, player statistics, and match outcomes.
 - Created an interactive dashboard using Excel charts and pivot tables to visualize trends and support data-driven decision-making.
- 3. Amazon Clone Website (Frontend)** (December 2025)
Technologies: HTML, CSS
 - Developed a static e-commerce website replicating key Amazon user interface components using HTML and CSS.
 - Created a responsive layout with navigation, product sections, and structured page design.
- 4. Fanbrella – Solar Powered Fan Umbrella (Design Thinking Project)** (March 2025)
 - Collaborated in a team of three to design and develop a prototype solar-powered fan umbrella, contributing to ideation and prototype development as part of a Design Thinking Lab project.

Certifications:

1. NPTEL – Programming, The Joy of Computing using Python (Elite + Gold)
2. AWS Cloud Quest - Cloud Practitioner
3. Cambridge Linguaskills – English Proficiency (B2 Level)
4. Business Analyst Program – TechCamp (College-selected)
5. GirlScript Summer of Code 2025 – Contributor

Internships:

- 1.AI Internship – AICTE** (April 2025)
Learned core AI concepts and developed a potato leaf disease detection model as part of a guided project using basic machine learning techniques.
- 2.Cybersecurity Internship- Edunet Foundation** (October 2025)
Gained hands-on experience in cybersecurity concepts and implemented a steganography-based project for secure data hiding.
- 3.Virtual Internship Program - Eduskills** (Cohort 10–15)
Completed structured learning modules covering foundational technical concepts and emerging Technologies.

Industrial Visits:

- Visited AMTZ Campus (25-March-2025)

Co-Curricular Activities & Volunteering:

- **NSS Volunteer (National Service Scheme):**
 - Organized blood donation camps
 - Conducted Traffic awareness rallies
- **Professional Body Membership: (CSI)**
 - CSI Membership Id: S50842200030298 (Active Member)
 - Event Organizer in CSI Student Branch.

Extra-Curricular Activities:

- Actively participated in college-level cultural and technical events.

Achievements:

- Secured 1st position in B.Tech I-I semester with 9.39 SGPA
- Winner and Runner-up in Tech Talk, Idea Presentation, and Paper Presentation events at the college level.

Personal Details:

- **Languages Known:** Telugu, English, Hindi
- **Hobbies:**
 - Exploring new technologies and learning emerging tools
 - Attempting mock tests to improve analytical skills
- **Strengths:** Quick Learner, Adaptability, Communication Skills, Teamwork skills

Declaration:

I hereby declare that the above information is true and correct to the best of my knowledge and belief.
